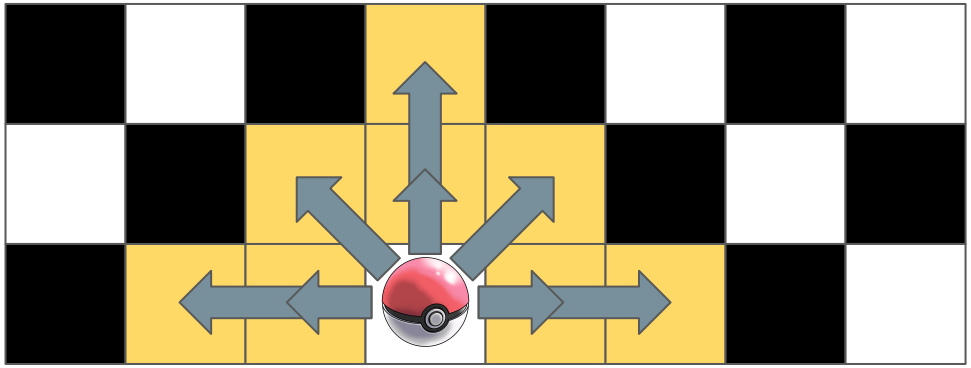
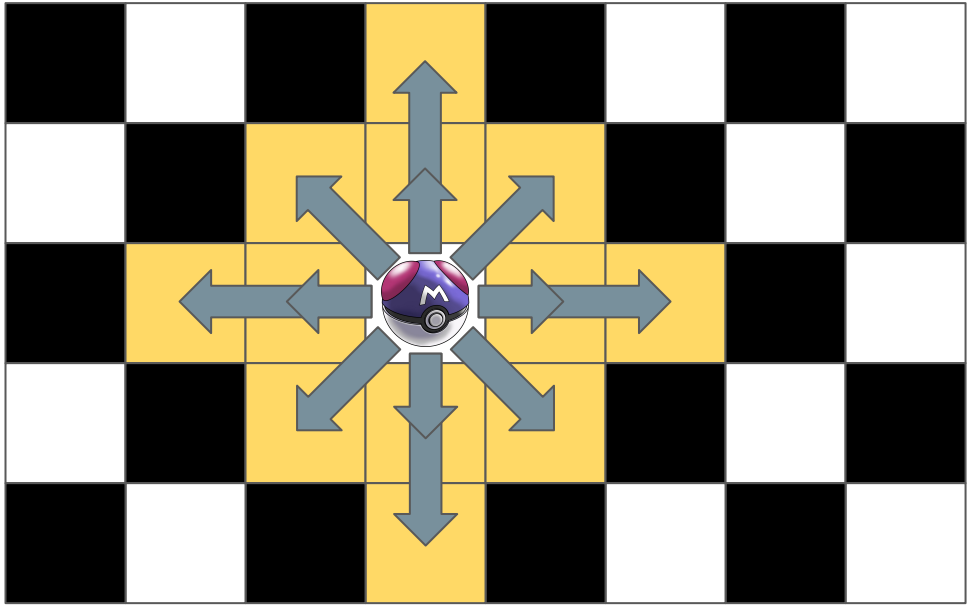
Pokéball

- The pokéball can move laterally, diagonally, or forward



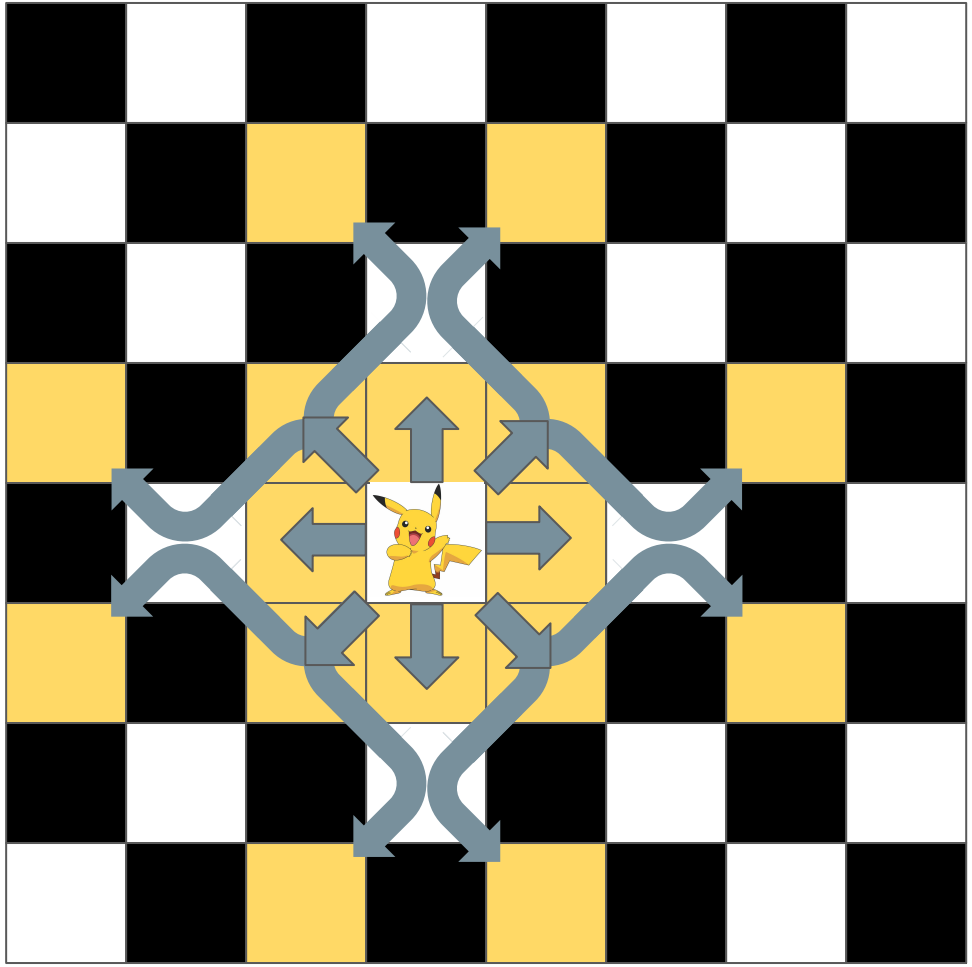
Masterball

- After reaching the other side, the pokéball is promoted to a masterball and can move laterally, diagonally, forward, and backward



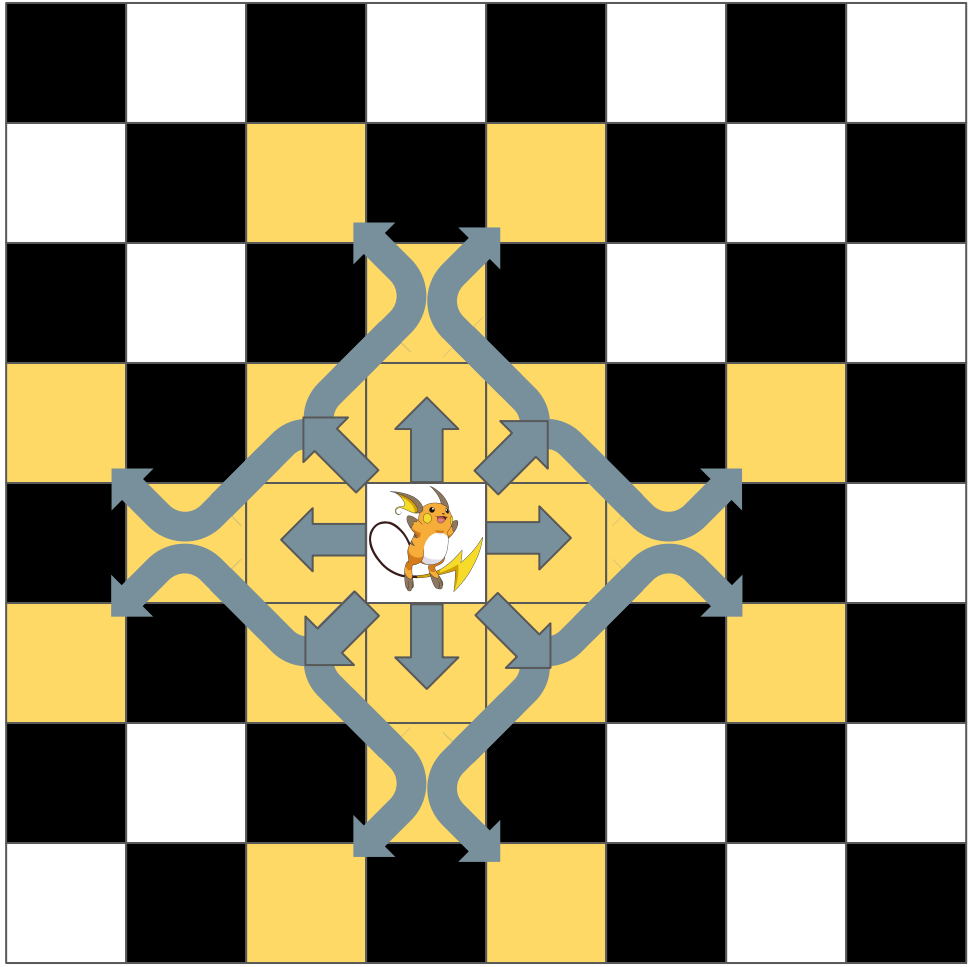
Pikachu King

- Pikachu has the movement of a regular king as well as the additional “knight-like” lightning bolt movement patterns



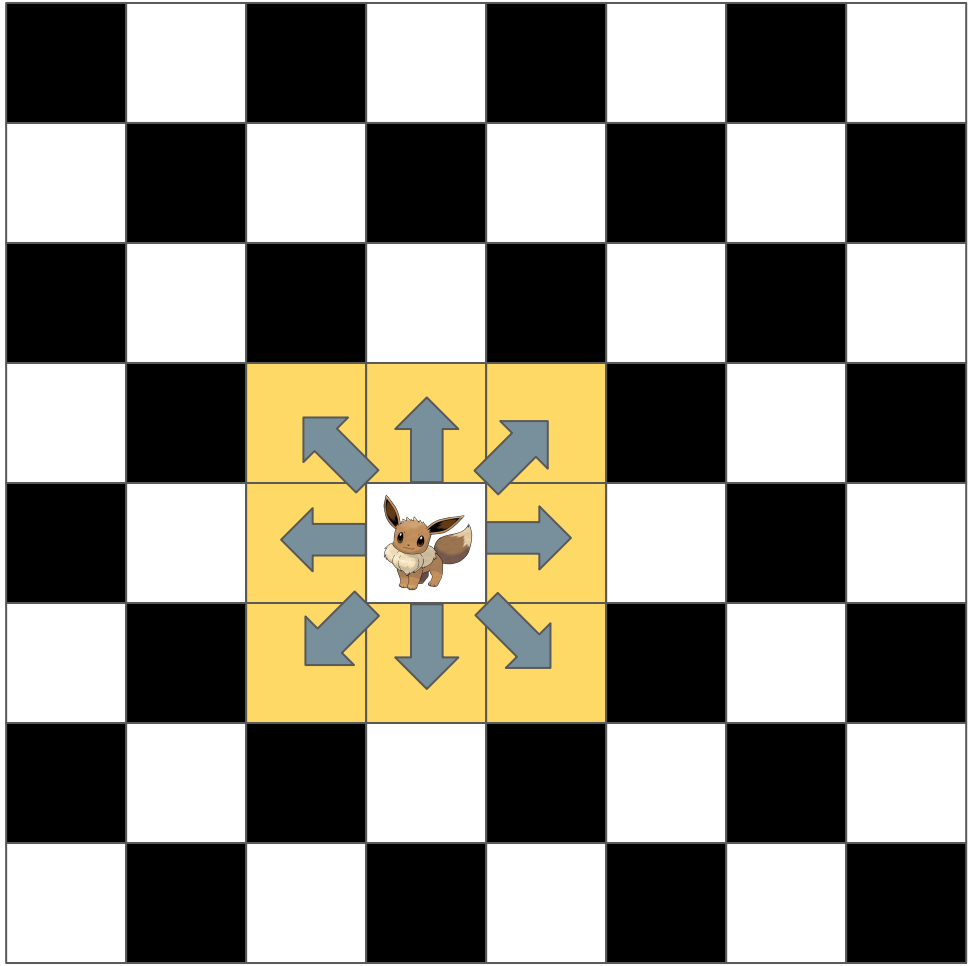
Raichu King

- Raichu has expanded movement and more health but has a 50% capture rate against pokeballs



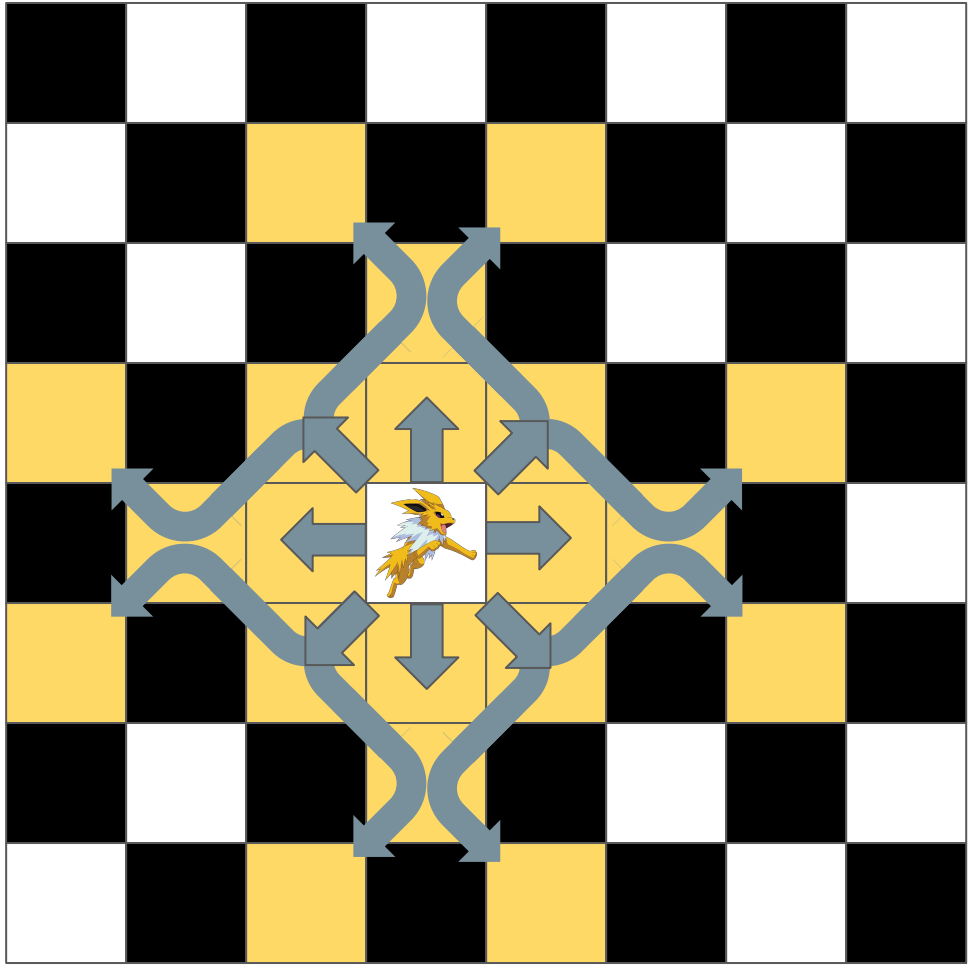
Eevee King

- *Quick Attack* allows Eevee to move and attack in the same turn (either order is allowed)

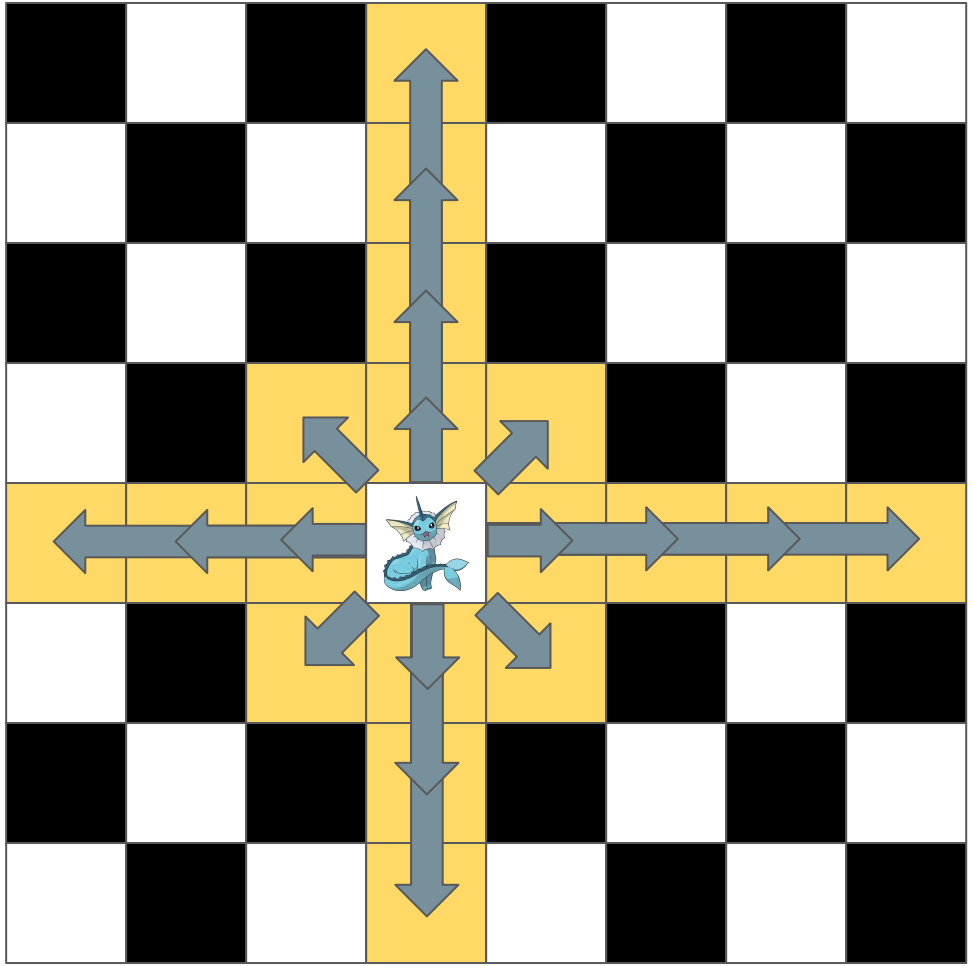


Jolteon King

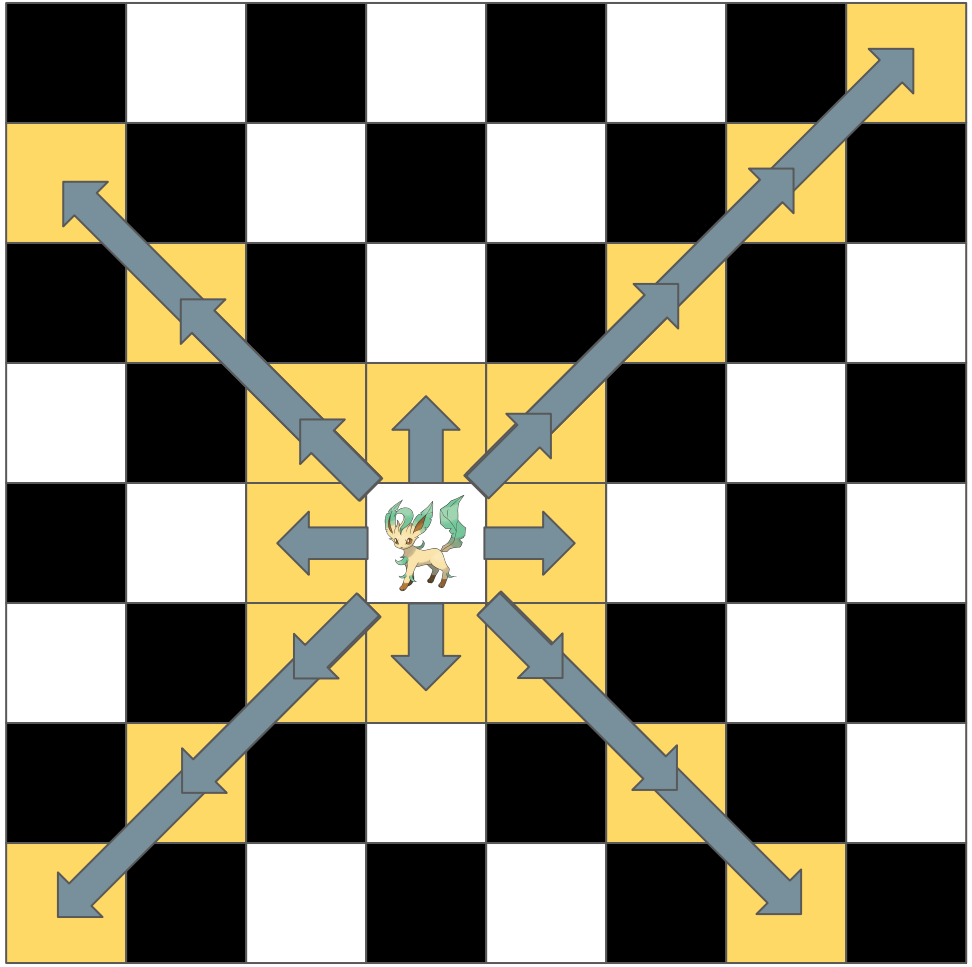
- Jolteon has the same movement pattern as Raichu



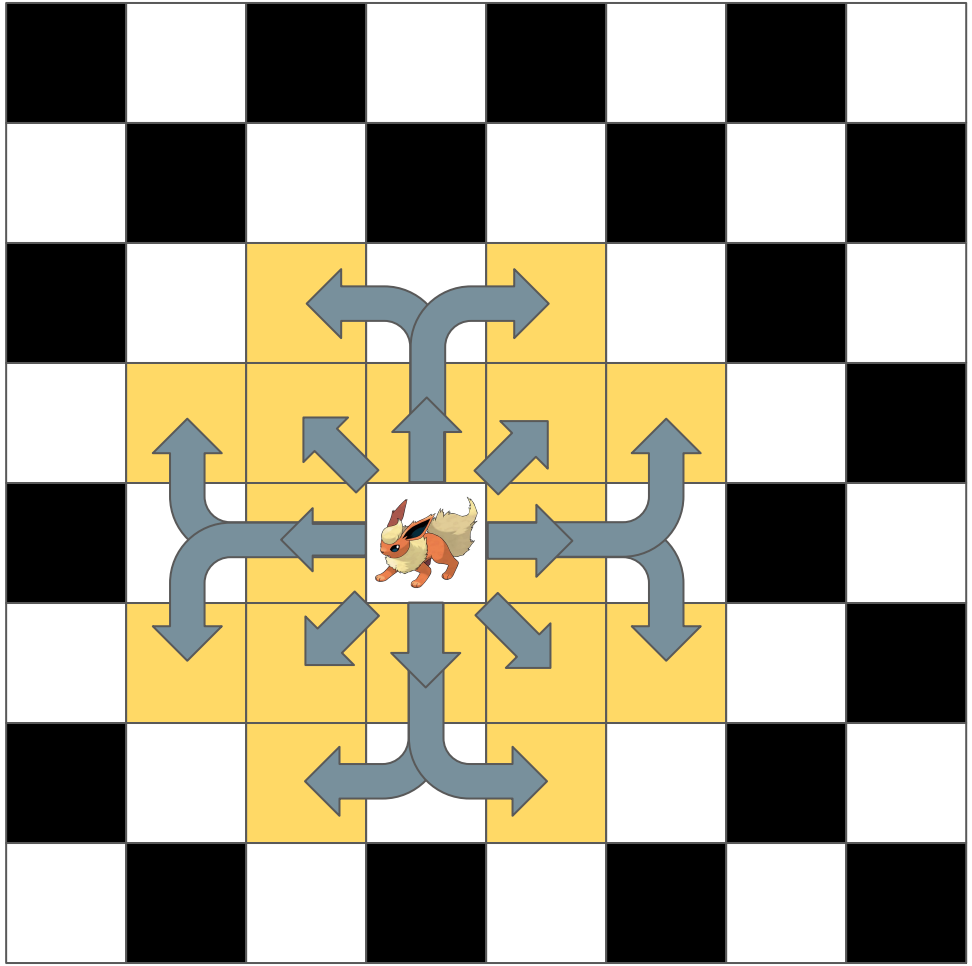
Vaporeon King

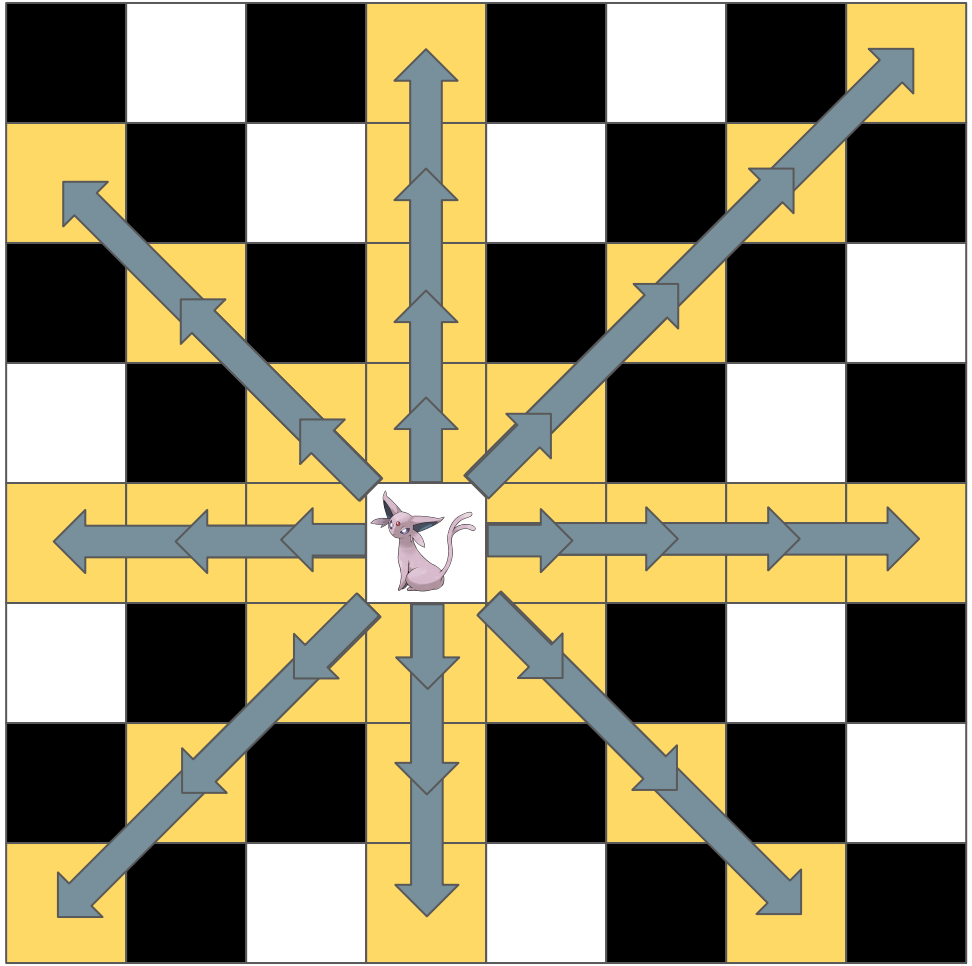


Leafeon King



Flareon King





Espeon King
